“THE ORIGINAL” PRECISION KNIFE

The 5" aluminum handle precision knife works with the #16 scoring blade for making precise, accurate cuts through a variety of different materials.

This precision knife is the cutting tool for any application requiring a precise, accurate cut. This cutting and trimming tool has been used for years by craftsmen and others for making careful cuts and trims consistently and with confidence.

This precision knife has been praised for years as the standard for precision cutting, trimming and crafting. This precision knife is built with a carbon steel blade for a reliable cut every time. Additionally, the sleek design fits comfortably in the hand, allowing you to continue making the precision cuts needed to finish the job, no matter how long it takes.
